

Friends Help Palo Alto Libraries Thrive

And your membership dues support our efforts!

The Friends of the Palo Alto Library, founded in 1938, has donated **over \$3 million** to the Palo Alto City Library. FOPAL's donations are funded by its retail and online sales of books and media, and by dues from its 800 members. Over 160 dedicated volunteers contribute 20,000 hours annually to our monthly book sales, our Amazon store, and our library branch stores. These funds support book acquisition and all the Library's programs for children, teens, adults, and New Americans. In addition to our contributions to the library, we find new homes for 100,000s of old books, donate books and media to schools and nonprofits, and as a result, significantly reduce our local landfill.
